## SERVICE BEYOND THE CONTRACT: CALADWICH GIVES BACK

At Caladwich, our mission to serve doesn't stop at the end of a contract—it extends to the lives and well-being of those who've served our country. That's why we are proud to highlight our sponsorship of Hero Dogs, a nonprofit organization dedicated to training and placing service dogs with America's veterans and first responders who live with disabilities.

Hero Dogs transforms lives by providing specially trained canines that offer companionship, confidence, and crucial assistance with everyday tasks. The training is intensive, the pairing process is personal, and the outcomes are life-changing. By supporting this organization, Caladwich is not only helping to offset the financial and logistical challenges of service dog training, but also honoring the spirit of service that defines both our company and our community. As part of our sponsorship, we've helped cover the costs associated with veterinary care, training, and handler education. And it's not just a donation—it's an investment in resilience, dignity, and hope for our nation's heroes. a time.

We believe in collective impact, and we want your voice to guide our next step. We're inviting all Caladwich employees to vote on the next charity we'll support. Whether your passion lies in supporting youth programs, empowering individuals with disabilities, promoting environmental sustainability, or enriching the lives of military families, your input matters.
